KILLING FROSTS ON THE COAST

Fruit and Vegetables Arc Damaged, if Not Killed.

HILL COUNTRY NOT VISITED

If Fruit Is Damaged It Will Take Several Days to See It.

(Special to The Times-Dispatch.) NORFOLK, VA., April 18.—There were killing frosts last night throughout the Eastern Virginia trucking belt, with damage to growing crops than on the night before. Weather Forecaster Gray received reports this morning from local truckers within a radius of fifteen miles of Norfolk. In the salt water districts, such as Lambert's and Sewall's Points, the frost was reported lighter than on fresh water streams in the Princess Anne sections, where straw

the Princess Anne sections, where status berries, beans and peas were totally cut off.

The Providence Church section, back of Berkley, reported strawberries, beans and peas entirely destroyed, and a similar peasure of the peasure and peas entirely destroyed, and a similar report came from Beamans, near Suffolk. The farmers on the Western Branch reported very heavy losses. At West Norfolk all cucumbers were cut off, and the loss will prove one of the heaviest eyer sustained by local truckers. The temperature here last night went down to thirty-six degrees, but the indications are for warmer weather to-night.

Light Frost.

(Special to The Times-Dispatch.)
ROANOKE, VA., April 18.—There was a light frost throughout this section last night, but the damage to fruit was not at all serious.

(Special to The Times-Dispatch.)

MANASSAS. VA., April 18.—The
weather continues cold in this section
and there has been ice every night for
the last few nights. As the atmosphere
is dry it is not thought that the fruit
has been injured by the cold.

—There was a killing frost here last tht. Fruit, I think, must all be killed

VA., April 18.—The rain storm of last Friday, followed by cold winds and frost the past two mornings, have apparently injured the fruit crop very seriously, though the full amount of dumage cannot be determined for several days yet.

Frost Expected.

(Special to The Times-Dispatch.)
FREDERICKSBURG, VA., April 18.—
Clear and cool here to-night, with prospects for heavy frost. Much apprehension is felt as to the safety of the frii and early truck crops.

In the Valley.

(Special to The Times Dispatch.)
WINCHESTER, VA. April 18.—It was feared that the excessively cold weather of the past few nights had damaged the fruit crop of this section, but growers think it has escaped. A freeze would mean the loss of many thousand dollars.

In Fluvanna.

(Special to The Times-Dispatch.)
FORK UNION, VA., April 18.—The cold snap of the last two days, which sent the mercury a little below 32, has not yet materially blasted the prospects of fruit crop.

WILMINGTON, N. C. April 18.—Telegraphic reports to-night from many points in the strawberry and vegetable district here indicate that the damage by the cold weather and frosts of the past two days is general throughout the belt. The old berry plants sustained but little damage, but those of last year's planting were rather hard hit, the damage being estimated at something like twenty-five per cent. Beans, peas and Irish potatoes were damaged to a greater extent.

Fruit Not Hurt.

(Special to The Times-Dispatch.)

LYNCHBURG, VA., April 38-D is the general belief in Lynchburg to-night that the fruit in this section of the State is still safe unless the long continued cool spell will cause the fruit to drop before it matures. It is certain that the fruit has not been frozen yet.

Why and How He Builded.

This is said to be how William Waldorf Astor gave the order for the fine new offices built for the Pail Mail Gazette Mr. Astor was signing checks one morning, and was informed that one of them was for office rent. It laid down his pen and renaried: "Weil. I runst pay taxes and other expenses, but I rened not pay rent. If it pays another man to evert a building and rent it to ine, then it will pay me. Now," turning to his right-band man, "make arrangements for new offices. I don't want to hear anything more about it for a year," And so the offices were built.

TO MY PRIENDS AND ALL WHOM IT MAY CONCERN:
In consequence of advanced age and impaired health I have this day retired from business and sold my entire business heretofore conducted by me at 142 East Main Street, Richmond, Va., under the firm name of John H. Rose & Co., of which I was the sole owner, to my son Charles Rose, who for several years past has practically conducted the said business for me.

The said Charles Rose will conduct the said business under the old name of John H. Rose & Co., and will assume all the debts and obligations of the said business from this date.

For forty years I have conducted the said business, meeting promptly all of my obligations, and in retiring I wish to thank my patrons and the public for their generous support, and to commend to them my son, who is in every way competent to conduct the said business, end is possessed of sufficient capital and means to discharge and pay off all obligations of the said business now due, or that may hereafter become due.

Respectfully, JOHN H. ROSE.

Referring to the above I desire to say

April 8th, 1966.

Referring to the above I desire to say that I have this day purchased the entire business of John H. Rose, trading as John H. Rose & Co., with the right to use the old name, which will be done, and have assumed all the debts and obligations of the said John H. Rose, contracted in said business. With an experience of more than fifteen years in said business, and with the entire management of the said business for the past seven years, I feel that I am fully able to conduct the said business, and I cordially solicit the patronage of the old customers of my father as well as the public in general.

CHARLES ROSE.
